| Class Teacher's Comment | He displays a great deal of enthusiasm for learning and has very good work ethic when focused on the task at hand.                                   |
| Recomendation           | Joshua needs to come out of his comfort zone, he should be exposed to outdoor activities that will boost his confidence and drive out fear from him. |
| Head Teacher's Comment  | A good result, keep striving for excellence.   |
