Class Teacher's Comment

Kelvin Ikechukwu has greatly improved in all learning areas, obeys class room rules and volunteers in answering difficult questions in other learning areas especially in Numeracy.

Recommendation

He does his best and finishes his work on time. However, I would encourage him practice more in spelling simple words, reading simple sentences. This would improve his vocabulary and reading skills and for a better performance in the next class.

Recommendation

Welldone Kelvin! Keep working hard and all the best in your next class.
