Class Teacher's Comment	I have really enjoyed having CHIVITER in Creche this year. I have been especially proud of the progress she has made in these past few months.
Recommendation	I strongly recommend that educative videos be made available as visual aid to help her learn fast. Writing materials should also be used to engage her perfect her pencil grip.

Head Teacher's Comment

Chiviter has become a more focused and attentive learner and has made great progress as a result of this. Keep it up!

A large grid of orange lines forming a pattern of squares and rectangles, intended for writing or drawing. The grid consists of 10 columns and 15 rows of squares. The lines are thin and light orange, creating a subtle background pattern.
