Class Teacher's Comment	She is an active participant in class and enjoys doing group work, but at times she also tends to be easily hurt and sensitive when things do not go the way she expects.						
Recomendation	She should be encouraged and motivated through positive words of praise to practice the formation of letters and numbers under the supervision of an adult. Also letters and number chat should be provided for her as this will aid her to identify her letters and numbers correctly.						
Head Teacher's Comment	She has always been a strong will learner.
