

Class Teacher's Comment	AUDREY UGBOJI has improved in participating more in class; however there are times when she does not challenge herself in answering more difficult questions.
Recomendation	I encourage AUDREY UGBOJI to improve her focus when she is working, as this is a skill that she needs to develop before leaving the elementary school.
Head Teacher's Comment	I would like to encourage her to step up in the areas she got an "E" grade, knowing that she is thoroughly capable of doing better.
