Class Teacher's Comment

Ternamdo has a lot of enthusiasm for learning despite her age. She demonstrates to some sounds and relates cordially with her friends. She eats well and enjoys singing.

Recommendation

She needs to be engaged during the holiday with materials that are educative such as videos, letters, numbers, shapes and colour rings in her play area.

I know that if Ternamdoo continues to progress as she has done thus far, she will experience a lot of success in her next class.
