| Class Teacher's Comment | BETHEL TACHIN enjoys participating in class discussions and sharing her ideas.     |
| Recomendation           | She has improved a lot. I will encourage her to put in more effort in her studies. |
| Head Teacher's Comment  | A very good result, she can still do better.                                       |
