Class Teacher's Comment	King-David Lianater Atir has been noticeably more active in his willingness to volunteer answers and seems to be much more comfortable in the classroom. He is learning to read fluently.				
Recomendation	His reading skills is an area he needs to focus on. He should be provided with Jolly Phonics videos and other educative materials that can aid him during the holiday.				
Head Teacher's Comment	Overall, he makes an effort to be an active participant in class and I encourage him to put more effort in that area.
